

Mechanical & Electrical Installation

Contract Services have built a formidable reputation as one of the best Mechanical and Electrical Contractors available. Our highly trained installation teams have undertaken many challenging projects and in spite of demanding deadlines, still delivered quality installations time after time.

As an organisation we recognise that the importance and success of a project is determined by completion, on time, to cost and to specification. We have worked successfully on projects across all business sectors including, retail, banking, commercial, industrial, public and social housing.

Contract Services work in partnership with our clients to ensure that we build a strong collaborative relationship, which enhances the opportunity to create better solutions to the projects on which we work together.

Our Services Include:

Heating
Plumbing
Air Conditioning
Air Handling
Gas Systems
Heat Recovery
Extract
Ductwork
