

## Ogilvie Fleet, Belfast.

Ogilvie Fleet commissioned Contract Services Design Studio, to undertake the creation of new offices at Quay Gate House Belfast. Following extensive discussions with the client, the studio set about designing layouts, colour schemes and furniture plans, intended to match the needs of the business and create a modern interior suitable for staff and clients. Attention as always was given to addressing the demands for efficiency in delivering the final solution.

Our services included:

- Interior Design
- Colour Schemes and Finishes
- Move Management
- Furniture Supply and Installation
- Digital and Graphic Design Installations
- Storage Solutions
- Project Management
