

## Concentrix, Belfast.

Contract Services Design Studio were appointed by Concentrix to design and project manage the interior of their third floor offices at Riverhouse in Belfast. The project required the creation of an open plan environment for 112 people with a training academy, meeting rooms, breakout areas and comms room. The project timescale was very tight but the Design team still managed to provide a modern space with great facilities for both staff and clients.

Our services included:

- Interior Design
- Glass and Stud Partitions
