

## Crossrail, London.

Appointed by Balfour Beatty Workplace; Contract Services Design Studio were asked to develop design proposals for Crossrail's new project offices in Liverpool Street, London. The contract involved site surveys, design layouts and furniture proposals that would match the operational requirements of the organisation. The furniture plan covered the ground, first, second and third floors and needed to be installed in accordance with the demands of a tight timescale.

### Our Services Included:

- Interior Design
- Colour Scheme and Finishes
- Move Management
- Furniture Supply and Installation
- Storage Solutions
- Digital and Graphic Design Installations
- Project Management

The final scheme provides staff with a bright, spacious open plan office, with excellent breakout and meeting facilities.
