

Lyric Theatre, Belfast.

Contract Services Design Studio worked in accordance with the Lyric's project timetable for delivery and installation of furniture solutions for the Educational Suites, Creative Offices and Back of house areas.

The New Lyric Theatre is a very prestigious development which required careful interior design and space planning consideration for all of the furniture delivered to ensure that the final furniture solution was empathetic to the character and needs of the building.

During a recent Royal visit to Northern Ireland; Queen Elizabeth visited the Lyric Theatre, where she relaxed in the Executive Department on furniture installed by Contract Services NI . Sofa by Boss Design Group - Komac Raft
