

Rapid 7, Belfast

Following the successful completion of earlier interior design projects for Rapid 7 Belfast, Contract Services Design Studio were appointed to manage the complete expansion project from start to finish. The second floor offices included the design of large open plan office space, meeting rooms, private offices, breakout areas and kitchen facilities. The final outcome provides a spacious, contemporary working office suitable for around 50 staff.

Our services included:

- Building Control
- Demolition
- Design
- Glass and Stud Partitioning
- Painting and Decorating
- Joinery
- Flooring and Ceilings
- Digital and Graphic Design Installations
- Mechanical and Electrical
- Furniture Supply and Installation
