

Terex, Omagh.

Terex appointed Contract Services Design Studio to manage the complete project from start to finish. Working to a tight timeframe that considered Terex's operational needs. The project included a full design and refurbishment across both the east and west wings on the first floor. The office interior is fresh and bright with subtle touches of corporate imagery.

Our services included:

- Interior Design
- Colour Scheme and Finishes
- Painting and Decoration
- Glass and Stud Wall Partitioning
- Flooring and Ceilings
- New Kitchen
- Bespoke Joinery
- Digital and Graphic Design Installation
- Furniture Supply and Installation
- Project Management
