

Interior Design & Complete Fit-Out

Contract Services Design Studio specialise in interior design, fit-out and furnishing of retail outlets, corporate offices, showrooms, cafés, bars, restaurants, hotels, educational and healthcare environments. We offer a turnkey service to our clients, using our experience to select and create interior schemes that will improve and enhance corporate, hospitality or business environments.

Our designers understand budget and timescales and manage projects to ensure minimum disruption to your business. We work on your behalf ensuring the quality of our interior schemes, selecting appropriate materials and finishes within budget.

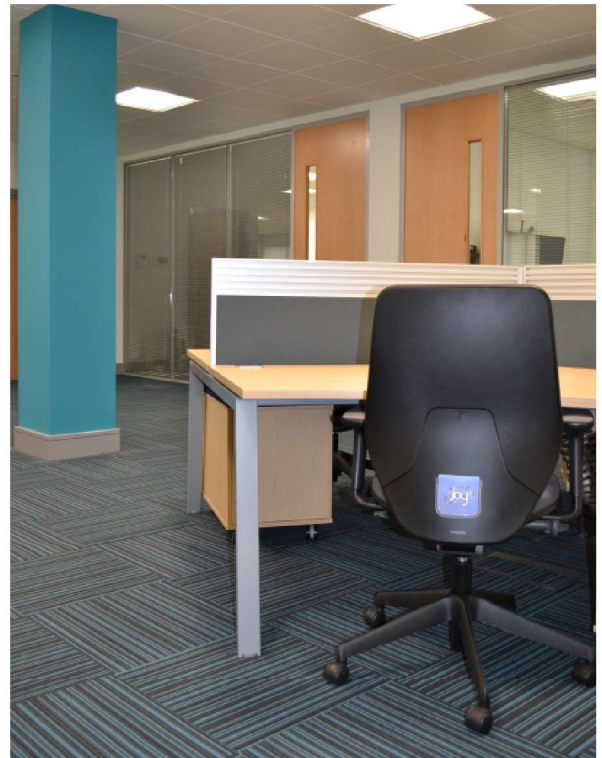

Contract Services Design Studio, co-ordinate fittings, materials, colours and finishes to create the right image for your scheme and we understand that your interior is a visible illustration of the standards, ambition and performance of your organisation. Our design team produce conceptual drawings and sample boards for each client to consider prior to producing working drawings and final budget estimates.

Once design is set, and the costs and timescales agreed, Contract Services Contracting Teams get to work on completing the project. We are reliable and consistent and our trades are managed to ensure quality of work and adherence to health and safety standards.

At Contract Services Design Studio we specify quality products and finishes. Working in partnership with established leading manufacturers including:
