

Beautiful Home Office Interior

Contract Services Design Studio, were appointed to provide interior design and furniture solutions to complete a beautiful office for a prestigious client.

The luxury Italian Porada Flavio Executive Desk took centre stage in this recent private office interior fit-out. The beautiful wooden desk was finished in a solid canaletta walnut, with a covered frame and top insert in sand leather hide with visible stitching. The luxurious Porada Elis Swivelling Armchair was the perfect accompaniment for the Flavio desk, featuring interesting horizontal stitching across the upholstered seat in a neutral fabric and leather hide mix, with beautiful solid canaletta armrests.

The unique furniture pieces were carefully selected for the soft seating area with views over the countryside. Boss DNA lounge chairs offer luxury and distinct levels of comfort. Finished in two-tone fabric Panaz Luxe Velvet Indigo and Dove with twin stitch detail, pinch stitch on the back cushion and walnut legs. The striking Boss Maysa sofa and American Black Walnut coffee table offer a classic design with a twist. The sofa was finished in the same two-tone Panaz Luxe Velvet fabric with top stitch detail and American black walnut legs. It beckons you to sit back and relax in style.
