

## Willis Insurance HQ Expansion, Belfast.

Contract Services Design Studio, were appointed by Willis Insurance to provide interior and furniture solutions to complete an exciting four storey expansion to their Headquarters in Belfast. The project included; a waiting area, open plan offices, private offices, boardroom, and collaborative breakout area.

The Ocee Alfi L-shaped sofa with Black Titanium legs and tactile fabric Camira Canopy Admiral showcasing the corporate colour is perfect for the bright and spacious waiting area. The interior is also enhanced with the use of Biophilic design with 'Mother in Laws Tongue' in Anthracite Headrow High Planters. The Executive Offices offer the perfect place for executives to get work done, whether it is formally at their desk or more relaxed at their soft seating area. The furniture offering is rich and tonal with the Elite Windsor Executive Desking and Flare Storage finished in black Nanotec, walnut, and black. The Ocee Stretch L-shaped sofa and the Harc Armchairs provide modern comfortable seating with accents of corporate blue in the upholstery using Camira Aspect Rainer.
